

### Favorable Reaction to Bomb Issue

By JOHN BECKLER  
Associated Press Writer  
WASHINGTON (AP) — President Nixon's request for authority to send the FBI onto campuses hit by bombings and arson is getting prompt and favorable action in Congress.

Rep. Emanuel Celler, D-N.Y., chairman of the House Judiciary Committee, said the provision would be added to an omnibus crime bill on which the panel is putting finishing touches.

Nixon outlined his request Tuesday to Republican congressional leaders at a White House conference attended by Atty. Gen. John N. Mitchell and FBI Director J. Edgar Hoover.

In addition to seeking expanded federal authority to intervene in campus bombings, Nixon wants the FBI's strength boosted from 7,000 to 8,000 men to help bombing investigations and also to deal with airplane hijacking. The extra agents would cost \$23 million a year.

The administration's latest move to meet the bomb threat was announced by GOP leaders Rep. Gerald R. Ford of Michigan and Sen. Hugh Scott of Pennsylvania after the White House meeting.

The use of the two Republican leaders to announce Nixon's request aroused the wrath of Celler, who has been driving his committee long and hard in the past two weeks to get out a big crime bill Nixon has accused him of blocking.

"Why not communicate directly with the chairman instead of going only through Republicans?" asked Celler.

"That's a hell of a way to get something out of a committee."

The administration sees law and order as a top issue in the coming congressional elections and would like to keep a GOP stand on any tough antibomb legislation. The omnibus crime bill already includes an administration-backed provision calling for the death penalty for anyone convicted of a fatal bombing.

Celler's agreement to go along with Nixon's request despite his unhappiness at the way he received it indicates the strength of the law-and-order issue in Congress.

### Has Traveled 700,000 Miles

PEARL HARBOR, Hawaii (AP) — Adm. John S. McCain Jr., U.S. Pacific military commander, estimates he has traveled 700,000 miles since taking the job two years ago.

But he rarely visits Hawaii's outer islands.

McCain told a recent newspaper publishers meeting on the island of Hawaii, 216 miles southeast of here, that it was the first time he had been there since 1934 when he arrived aboard a submarine.

### Bodcaw Grades Elect New Officers

The Third and Fourth Grade Classes elected the following officers:

Grade	President	Vice President	Secretary	Treasurer
Third Grade	Terri Brown	Karen Loe	Carol Russell	Tina Tatom
Fourth Grade	Clifton Clark	John Ward	Marty Purdy	Steven Rogers

Reporters: Teressa Rogers, Jeanette Daniels, Steve Dellard. Mrs. Ruth Tyler is the teacher.

### Showers Are Expected in Arkansas

By THE ASSOCIATED PRESS

Showers and thundershowers in Arkansas are expected to decrease late tonight and Thursday as a low pressure wave moves northeastward out of the state.

The U.S. Weather Bureau issued a flash flood warning this morning for Boone and Newton counties in the northwest portion of the state. The bureau quoted State Police as saying that small streams in the Harrison area were full and could not take any more runoff.

The precipitation is expected to have little effect on temperatures in the state except for considerable cooling in the northwest section today and tonight.

Lows tonight should be in the 60s northwest to 70s elsewhere. Highs Thursday are forecast in the mid 80s to low 90s.

Overnight lows included 64 at Fayetteville, 65 at Harrison, 70 at Jonesboro, 75 at Pine Bluff, 73 at Texarkana, 74 at El Dorado, 74 at Memphis, 73 at Little Rock and 67 at Fort Smith.

### 125 Times U.S. Has Sent Forces Abroad

WASHINGTON (AP) — Officials cite more than 125 instances throughout U.S. history in which the President sent armed forces abroad without a declaration of war or a congressional authorization.

The cases, dating back to the early years of the republic, range from the undeclared war against France in 1798-1800 to the incursion into Cambodia last April.

Among instances in recent years are the dispatch of U.S. troops to Lebanon in 1958, to Thailand in 1962, the airlift rescue of foreigners from the Congo in 1964 and the landing of U.S. forces in the Dominican Republic in 1965.

### Embezzlement Case Retrial Scheduled

CONWAY, Ark. (AP) — Circuit Judge Russell C. Roberts has set Oct. 21 as the date for a retrial in the embezzlement case against Robert L. Pruitt of Phoenix, Ariz.

Pruitt, former head cashier at State College of Arkansas, faces a four-count charge of embezzling \$28,655.50 from SCA during a nine-month period in 1969. He originally went on trial July 20, but Roberts declared a mistrial two days later when Prosecutor Jeff Mobley distributed campaign cards to two jurors.

Roberts reset the trial for Aug. 11, but it was continued when a death occurred in Mobley's family.

### Would Instruct Youths on Drugs

SACRAMENTO, Calif. (AP) — Entertainer Art Linkletter says youngsters should start receiving instruction on the dangers of drug use in the second grade.

"Most educators do not know much about drugs and unfortunately do not want to know about drugs," he told a gathering of educators Tuesday.

### U.S. Hopeful

(from Page one)

thrust necessary.

U.S. officials insist any such action would be to remove Americans from the country where thousands of Jordanians and Palestinian guerrillas were reported killed during a week of violent conflict.

The great difficulty confronting American planners is that the approximately 400 Americans living in Jordan, including 40 U.S. officials, are not all in one place. Moreover, the whereabouts of the 54 guerrilla-held hostages, including 38 Americans, is unknown, according to the State Department.

How the lives of these people could be saved by intervention of U.S. military forces in the face of guerrilla threats against all Americans in the Middle East is a question the Nixon administration has not answered.

Word of the Arab diplomatic intervention in Amman, King Hussein's capital, was received here with obvious approval and apparently with considerable surprise, although some action was seen logical under the circumstances.

Arab leaders from a number of Middle Eastern and North African countries gathered in Cairo Tuesday and apparently went quickly into informal discussions while delaying the formal start of their conference. Finally, they put off the formal start indefinitely and announced a four-man mission to confer with Hussein and Arafat's guerrilla leadership and restore a truce, if not civil peace, to Jordan.

### Prescott Man Realizes Value of Tools

PRESCOTT, ARK.—Records are an essential tool for dairymen to increase their net farm income. John Ratcliff, Nevada County dairyman, has realized for several years the importance of a good record keeping system in his operation.

By using records, a more efficient job is done of feeding because cows are fed according to production. Feeding cost is the largest single expense on the Ratcliff farm and usually runs about half of the total expense.

Ratcliff told Adrian Brackman, county Extension agent, that this is just one way the records are helpful.

Some of the other information he receives from the computer print-out sheets are butterfat percent for each cow, income over feed per cow per day, total pounds of milk given for lactation up to test day, and income over feeding cost.

Ratcliff said that when he started dairy farming in 1957, his average production per cow was approximately 5,000 pounds. His average production for May, 1970, was 11,343 pounds. Ratcliff has a herd of Holsteins which are bred artificially on the farm.

The record keeping program plus the artificial breeding program, are two of the management tools Ratcliff attributes to more than doubling the average production per cow on his farm in the past 13 years.

### HOPE (ARK.) STAR, Printed by Offset

27 YEARS

(from Page one)

we are in a war now—and perhaps looking around for more to get into.

The value of money falls . . . international affairs are in a muddle . . . domestic crisis piles on domestic crisis . . . yes, the world's in a mess.

But let me point out one thing. Since I started writing my column, six U.S. presidents have been in office. Every morning for 27 years I have dusted the cobwebs from my phone so it would be ready to respond to an emergency call by the White House for my advice. Not once has the White House called.

So I don't see how I can be altogether blamed for the plight we're in. One fellow can't make a better world single-handed—not even a columnist. So if we're to improve things in the next 27 years, we're all going to have to pitch in together.

I know I can count on your help, can't I?

Editor's note: Any reader wishing to join Boyle's crusade can send him a boxtop or float him a bottle with a helpful message inside.

## Calendar of Events

### Thursday, September 24

There will be a pot luck bridge luncheon at the Country Club Thursday, September 24 at 12. Hostesses will be Mrs. Eddie Whitman and Mrs. Sid McMath.

The Gardenia Garden Club will meet Thursday, September 24 at 9:30 a.m. in the home of Mrs. Guy Bayse for a scrap-book coffee. All members are urged to attend.

The Friday Music Club will have a luncheon honoring its president, Mrs. Helen Hatch, on Saturday, September 26 at the Heritage House beginning at 12 noon. Hostesses: Mrs. James McLarty, Mrs. McDowell Turner, Miss Mary Anita Laseler. Make reservations by Thursday, September 24 with Mrs. Roy Stephenson, 777-4210.

### Saturday, September 26

The Friday Music Club will have a luncheon honoring its president-elect, Mrs. Helen Hatch, on Saturday, September 26 at the Heritage House beginning at 12 noon. Hostesses: Mrs. James McLarty, Mrs. McDowell Turner, Miss Mary Anita Laseler. Make reservations by Thursday, September 24 with Mrs. Roy Stephenson, 777-4210.

### Sunday, September 27

Four-states area artists wishing to enter Hope's 4th annual Art Show are asked to take their paintings to the old skating rink building in Fair Park Sunday, September 27 from 11 to 4 p.m. The Art Show will be held there Monday, September 28 through Saturday, October 3. Categories are: landscape, portrait, still life and genre.

### Potluck At Country Club

A potluck and cards entertainment was held at the Hope Country Club on Saturday, September 19 with Mr. and Mrs. E. E. Wassell and Dr. and Mrs. Sam Strong as hosts. Fall flowers decorated the clubhouse in pretty array, and 24 were served supper that had ham for the main course.

In the evening, bridge was played at 4 tables and pitch at 1. Mr. and Mrs. E. J. Whitman were high for the men and women bridge players, and H. C. Whitworth was high at the pitch table. Mrs. Marian Holder, Mrs. Jim Smith and Charles W. Wylie won game prizes.

Prescott Council Of Garden Clubs' Annual Flower Show Mrs. Earl Whitaker, Mrs. J. W. McRoy and Mrs. L. C. Crow were Judges for the Prescott Council of Garden Clubs Annual Flower Show held in conjunction with The Nevada County Fair. Mrs. Jim Yancey and Mrs. Robert Yarbrough were Flower Show Chairmen of this event which was held on September 22nd. The Fair Queens committee was host for lunch at the Lee Hotel for all queen contestants, judges and all committees.

### Daffodil Club Meets

Mrs. Jud B. Martindale and Mrs. Dewayne Chastain entertained the Daffodil Garden Club Thursday, September 17 in the Martindale home. Club president Mrs. Terrell Martin led in the discussion of business. It was decided to replace certain trees in Fair Park as a Club Project with details to be worked out and announced at a later time.

Dick Erwin was a guest speaker at the meeting. He had a most interesting discussion of "Landscaping," and he conducted a question-and-answer

session at the conclusion of his remarks. This was quite helpful for all.

In addition to be club members, Mrs. Charles W. Wylie, Mrs. Bill Hughes and Mrs. John Gambs were also guests. The hostesses served dessert and coffee to 20.

### Bridge Club Meets

Guernsey lilies were seen in the home of Mrs. M.M. McCloughan when she was hostess for a Friday Bridge Club meeting on September 18. Two guests, Mrs. R.E. Jackson and Mrs. K.G. Hamilton, were the high scorers for the afternoon.

After the two tables of players had finished their games, they were served cake a la mode and coffee.

### Coming, Going

Lt. Col. (ret.) and Mrs. David A. Washburn, Boston, Mass., are visiting her mother, Mrs. D. A. Snell, in Emmet and her sister, Mrs. Harry Hawthorne, and Mr. Hawthorne in Hope. Mrs. Washburn is the former Mary Snell.

Mrs. Holland Brown, Pine Bluff, spent the weekend with Mr. and Mrs. E. F. Formby.

### Bandleader, Wife Divorced

HOLLYWOOD (AP) — Bandleader Stan Kenton, 58, and his estranged wife Jo Ann, 39, have been awarded \$34,000 alimony to be paid over the next 30 months.

Superior Court Judge Charles G. Stratton granted the uncontested divorce Tuesday after Mrs. Kenton testified there were irreconcilable differences between the two.

They were married July 6, 1967, in Las Vegas, Nev., and had been separated since May 23, 1969, the court said.

Mrs. Kenton, the musician's third wife, also was awarded 50 per cent of profits from two movies Kenton has made.

### On the Road in Arkansas

#### September Events

18-26—Arkansas-Oklahoma Free Fair and Livestock Exposition, Fort Smith.  
24-25-26—Cleburne County Fair and Livestock Show, Heber Springs.  
28-Oct. 3—Third Annual District Livestock Show, Annual Watermelon Contest Weigh-In, Hope.

26-27—Saunders Muzzle Loading Shoot, Berryville.

Little Red River Rodeo and Fair, Ashdown.

Independence County Fair, Batesville.

Benton County Fair, Bentonville.

Northeast Arkansas District Fair (third week of month), Blytheville.

South Logan County Livestock Show and Fair (first weekend of month), Booneville.

Faulkner County Fair, Newcomers Breakfast, Chamber of Commerce, Conway.

Ouachita County Fair, Camden.

"King of Kings" Horse Show, Cherokee Village.

Ashley County Fair, Rodeo and Art Show, Hamburg.

Lafayette County Fair and Livestock Show, Lewisville.

Columbia County Fair and Parade, Magnolia.

Pike County Fair (second week of month), Murfreesboro.

County Fair, Monticello.

Overnight camping, Trailer's Campout, North Little Rock.

County Fair, Paragould.

Clothesline Fair and Art Festival, Prairie Grove.

Grand Prairie Festival of Arts, Stuttgart.

## Television and Radio

By CYNTHIA LOWRY

AP Television-Radio Writer NEW YORK (AP) — ABC did so well last season with its Tuesday night schedule, it wisely left the programs alone this season. All three series between 7:30 and 11 came back with new material Tuesday night.

"Mod Squad," returning for its third year, opened with what can be identified as a typical "Mod Squad" tale. This time Pete, played by Michael Cole, hit a girl with his car while pursuing a suspect. In his guilt and concern, he became romantically involved with her during her convalescence. Then he learned that she probably was part of a gang of burglars.

Members of the squad are forever falling in love and the love affairs are always terminated at the end of the episode. In this case the girl was killed in the final shootout.

Fans of the program will find it pretty much the same as last year except that all three of the young stars are considerably more totemstone.

"How Awful About Allan," a suspense thriller, opened the season for the 90-minute "Movie of the Week." It was a story of a man suffering psychosomatic blindness resulting from guilt feelings in his father's death in a fire. The man, Allan, is treated in a mental hospital and returns to the family home to live with his sister, horribly scarred in the fire. Almost immediately he starts seeing, with his blurred vision, shadowy shapes and hearing whispered voices.

The program followed the tradition of the gothic tales, a nice change from the TV tendency to burlesque old-fashioned horror tales.

Anthony Perkins played the harassed Allan with such relentless anger and impatience that it was hard to be sympathetic about his plight. Julie Harris, with a plastic patch over one cheek to conceal her wounds, turned in her usual expert performance as the sister.

To wind up the evening there was ABC's smash hit of last season, "Marcus Welby, M.D." His season opener was a believ-

## HELEN HELP US!

by Helen Bittel

### YOUTH ASKED FOR IT!

This column is for young people, their problems and pleasures, their troubles and fun. As with the rest of Helen Help Us!, it welcomes laughs but won't dodge a serious question with a brush-off.

Send your teenage questions to YOUTH ASKED for it, care of Helen Help Us! this newspaper.

### VIEW FROM THE OTHER SIDE

Dear Helen:

able but rather painful story about a 16-year-old girl with venereal disease.

It was pointed out that VD has re-emerged in almost epidemic state among teen-agers, but the big point was that parents have responsibility in establishing valid relationships with their children. The girl had an ambitious, dominating mother who pushed her shy daughter too hard, and a weak father who wanted peace at any price.

"Marcus Welby, M.D." had something to say and, without being preachy, said it.

This is inspired by the letter from "Not Exactly Jealous" whose divorced and helpless neighbor relies on all the husbands for her household repairs.

The calls will stop if the wives start accompanying their husbands on their "errands of mercy." And husbands won't be so eager if the wives will make themselves as alluring and interesting as the divorcee.

Now for the other side of the coin. I've been divorced for a decade. I'm not completely efficient in man-type jobs, but I've only once found the need to ask a neighbor's husband for help - and then I regretted it. He seemed tremendously surprised when I actually needed household help and not "the other," which he was more than willing to offer!

The married men I have met in the past 10 years seem dull and very obvious. In the beginning I was silly enough to think they actually wanted to help me paint, etc. but I soon discovered they really wanted someone to listen to their troubles, perhaps let

them prove they could still make it with another female. They assumed I just couldn't resist their manly charms, being "desperate."

So... "N.E.J." don't blame and neighbor lady entirely: Your husband may have offered. But DO get her interested in a "Parents Without Partners" or other singles club, and suggest she take a course in home management. --DIVORCEE WHO PREFERS SINGLE MEN

Dear Helen:

When we were first married I tried to be a good wife, so I never complained when my husband came home late. I'd pretend to be asleep, and not ask questions, taking for granted he was out with the boys.

Now he's running around with another woman. He gives as his excuse the times I never questioned him. Says I never loved him or I would have raised a fuss and made him stay home. Am I really to blame? I always thought you showed your love in positive ways (which I did because I do), not by nagging. - C.L.

Dear C.:

Your husband sounds like the teen-age goof-off who blames the school for not making him study. A buck-passing chaser is pretty hard to convert, but you

might give temper a try. He certainly doesn't respond to kindness. - H.

Dear Helen:

When you have a backyard potluck, with everybody bringing food, who gets the leftovers? Does everybody take the remains home again?

That's what I always thought, but this woman invited us to a potluck picnic, then confiscated all the food left - there was a lot! - and said she'd freeze what she couldn't use right away. She had enough to feed her family for a week! - WONDERING

Dear Won:

Each potluck should take home the dish she brought - with the remaining food left in it. Of course she can offer to share, but this is her choice. - H.

This column is dedicated to family living, so if you're having kid trouble or just plain trouble, let Helen help YOU. She will also welcome your own amusing experiences. Address Helen Bittel in care of (name of newspaper).

## Camden Is Leading Conference

Seven conference games will be played this week in Div. 4AA football but no showdown battles between leaders in either 4AA East or 4AA West are on the schedule. Next week two important battles loom as Camden meets Arkadelphia and McGeehee meet Eudora.

No major upsets resulted this past week as McGeehee downed Warren 48-0; Camden upended Magnolia 41-8; Monticello defeated Dumas 22-6; Eudora edged past Fordyce 12-7; Star City won a 3-0 squeaker over Lake Village; Arkadelphia defeated Nashville 33-8; Ashdown downed Fairview 20-0; Malvern lost to Pine Bluff 28-8; Hope defeated Sheridan 28-0; Dermott lost to Grady 22-0; Crossett beat Hamburg 22-3.

4AA West	Conf.	Season
Team	W L	W L
Camden	2 0	3 0
Malvern	1 0	1 2
Arkadelphia	0 0	3 0
Hope	0 0	2 1
Crossett	0 1	2 1
Magnolia	0 1	1 2
Fairview	0 1	1 2

Games this week: Hamburg at Dermott; Eudora at Dumas; Fordyce at Star City; McGeehee at Lake Village; Monticello at Warren; Hope at Fairview; Crossett at Magnolia; Malvern host to Catholic Hi; Arkadelphia and Camden are both open.

Some of the highlights of the past weekend: McGeehee ran 410 net yards rushing in their victory; Star City won on a field goal in the last 44 seconds of the game; Luther Guinn ran for 169 yards on 29 carries for Arkadelphia; Hope had 297 total yards offense in their win over Sheridan; Ricky Samons ran for 215 yards and three touchdowns for McGeehee; Monticello's Larry Cope kicked his second field goal of the season; Camden had 430 yards total offense against Magnolia; and Steve Cantor of Magnolia had two punts that carried 46 and 48 yards from scrimmage.

This is the year of the "pass" as statistics continue to bear out. In the 4AA East the 10 teams have thrown 300 passes in three weekends while in 4AA West the seven teams have thrown 265 passes.

McGeehee leads the East rushing teams with 902 yards and Arkadelphia leads the West teams with 786 yards. McGeehee also tops the East teams in passing with 314 yards and Camden leads the West teams with 481 yards.

McGeehee has scored 118 points in three games, Camden has 108 and Arkadelphia 91.

Unfortunately Dermott is the only team in the conference that has failed to score a point thus far.

Lake Village has allowed only

## Clay-Quarry Promoters Plan a Drug Fight

ATLANTA (AP) — Promoters of a heavyweight bout between former champion Cassius Clay and Jerry Quarry in Atlanta Oct. 26 say that \$50,000 of the proceeds will go to fight a growing drug problem in the city.

The fighters are scheduled to arrive in Atlanta Oct. 12 to prepare for the fight, Clay's first full-scale bout since he was stripped of his title three years ago after refusing induction into the Army. He has fought exhibitions.

State Sen. Leroy Johnson, whose House of Sports Inc. is helping promote the fight, said at a news conference Tuesday that the match will be broadcast over closed circuit television and beamed to Europe via satellite.

Johnson said the winner of the fight "unquestionably" will have a shot at a championship bout with Joe Frazier. The promoters had initially tried to match Clay with Frazier but the champion elected to fight Bob Foster in Chicago.

## Solunar Tables

The schedule of Solunar Periods, as printed below, has been taken from Richard Allen Knight's SOLUNAR TABLES. Plan your days so that you will be fishing in good territory or hunting in good cover during these times, if you wish to find the best sport that each day has to offer.

Date	A.M.	P.M.
Sept. Day	Minor	Major
23 Wednesday	12:40 6:40	12:50 7:10
24 Thursday	1:25 7:35	1:45 8:00
25 Friday	2:15 8:20	2:30 8:40
26 Saturday	3:05 9:00	3:10 9:20
27 Sunday	3:55 9:35	3:45 10:00

## Ohio State Favored Over Aggies

By HERSCHEL NISSENSEN Associated Press Sports Writer NEW YORK (AP) — The last time the Ohio State Buckeyes played a football game, they were caught napping. The result was a 24-12 loss to Michigan in the 1969 finale, ruining the Buckeyes' bid for a perfect season and knocking them out of the top spot in The Associated Press poll.

Whatever the reason—the Super Bowl jokes, the Rose Bowl talk, etc.—the Buckeyes weren't able to concentrate on football that week as much as Coach Woody Hayes would have liked. Ohio State opens its 1970 campaign Saturday at home with Texas A&M providing the opposition and the Buckeyes aren't about to be caught asleep at the switch this time. Certainly not after the Aggies followed their opening 41-14 rout of Wichita State with a 20-18 upset of 12th-ranked Louisiana State in Baton Rouge last weekend.

The Buckeyes and Aggies met once before, with Ohio State winning 17-0 in 1963. It should be 2-0 after Saturday. The pick is ... Ohio State.

Texas at Texas Tech—The last time the Longhorns stopped off at Lubbock they lost 31-22. They haven't done anything but win in the 21 games since, Texas.

Stanford at Oregon—The third-ranked Indians let down somewhat against San Jose State after an impressive opening triumph against Arkansas. If they're looking ahead to Purdue and Southern Cal this could be an upset, but the pick is Jim Plunkett and ... Stanford.

Penn State at Colorado—This nationally televised game (ABC-TV, 4 p.m., EDT) could end Penn State's 31-game unbeaten string. But Boulder's 5,200-foot elevation doesn't figure to affect the Nittany Lions, who have mountains of their own in Pennsylvania. Penn State.

Kentucky at Mississippi—The Wildcats shocked Ole Miss and Archie Manning last year 10-9. Revenge is sweet, Mississippi.

Purdue at Notre Dame—Notre Dame had enough of Purdue the last three years as quarterback Mike Phipps guided the Boilermakers to three victories. Phipps is gone, and this game's at ... Notre Dame.

Southern California at Iowa—Tailback Clarence Davis, offensive tackle John Vella and defensive tackle Tody Smith of the Trojans are doubtful. The outcome isn't. Southern Cal.

Air Force at Missouri—Mizzou finally found a quarterback in Mike Farmer. It could be an explosive show with speedboy receivers Mel Gray of Missouri and Ernie Jennings of Air Force. But the Tigers have more—Joe Moore, Missouri.

Florida at Alabama—Could be a wild one with Florida's John Reaves pitching against "Bama's" Scott Hunter. But the Gators haven't looked too impressive. Alabama.

Tennessee at Auburn—The Vols held Southern Methodist's Chuck Hixson without a touchdown pass last Saturday. Tennessee.

In defense, Rice piled up some impressive statistics against weak VMI to lead all categories. The Owls lead in total defense allowing only 96 yards per game, in rushing defense with 82 yards, and passing defense with but 14 yards.

Lex James, the sophomore A&M quarterback who gained 314 yards passing against LSU, leads in total offense with a per-game average of 211.5 yards.

Hugh McElroy, the 5-foot-7 A&M split end who caught a 78-yard scoring pass with 13 seconds to play to defeat LSU, leads in tandem offense—rushing and receiving—with 272 yards by handling the ball only 10 times.

Bobby Davis of TCU still leads in rushing with 265 yards. Raymond Mapps of SMU has caught 11 passes for 148 yards and one touchdown.

## Mets Feeling Better About Next 10 Days

By HAL BOCK Associated Press Sports Writer A seeing eye-single that wove its way through Philadelphia's pulled-in infield, has the New York Mets thinking pleasant thoughts again about the final 10 days of the National League East race.

Tommie Agee delivered the ninth inning hit for two runs and a 7-6 victory over Philadelphia Tuesday night that pulled the Mets back within three games of Pittsburgh and left them one behind second place Chicago.

The Pirates protected their edge by coming back to knock off Montreal 3-1 in the second game of a two-night doubleheader after being shut out 1-0 in the opener by Bill Stoneman.

Chicago was rained out at St. Louis.

In other National League games Tuesday, Atlanta trimmed San Diego 3-2, Cincinnati clipped Houston 6-5 and Los Angeles nipped San Francisco 1-0.

In the American League, New York edged Washington 2-1, Boston dumped Cleveland 8-2, Milwaukee defeated California 4-2, Baltimore bombed Detroit 10-2, Kansas City swept a doubleheader from Chicago 2-1 and 6-2 and Minnesota topped Oakland 5-3 to clinch the West Division crown.

The Mets were on the short end of a 6-5 count after Tony Taylor had tripled three runs home and then scored on a sacrifice fly in the bottom of the eighth for Philadelphia. But New York loaded the bases with none out in the ninth.

After reliever Dick Selma fanned Ron Swoboda on three pitches, Agee poked a squibbler that just made it into right field for two runs and the victory.

"The ball was inside," said Agee. "I was trying to hold up."

It's a good thing he didn't succeed or else the Mets might not have succeeded. A loss to the Phillies would have shaved New York four games back with eight games to play and just about ended their flickering hopes.

"Still, three behind with eight left isn't the most comforting spot in the world. But Manager Gil Hodges still hopes. "Time never runs out," said Hodges, "until it runs out mathematically."

The Pirates took a step in that direction by taking the second game of their doubleheader from the Expos after dropping the opener.

Stoneman, 6-15, stranded 11 Pirates in the first game and started Montreal's winning rally with a leadoff single in the sixth inning. Rusty Staub's triple chased the run home.

In the nightcap, Bob Veale, making his first start in 15 days, nailed down his 10th victory of the season with relief help from Joe Gibbon.

Pittsburgh, locked in a 1-1 tie in the fifth, loaded the bases with none out on Dave Cash's double, a hit batsman and Veale's bunt single. Matty Alou beat out an infield hit for one run and Richie Hebner's sacrifice fly scored another.

Gibbon came out of the bullpen in the seventh inning and struck out Staub, leaving two Expos stranded. Then he sailed through the eighth and ninth to preserve the victory.

The Pirates, with a two-game edge over Chicago and three over the Mets, have eight games remaining, the same number as New York. The Cubs have 10 to play.

The survivor of the hectic NL East race advances to the playoffs against West Division champion Cincinnati. The Reds, warming up for that showdown, exploded for six runs in the eighth inning to overtake Houston. Tommy Helms' bases-loaded single capped the rally which

included five walks, two of them with the bases loaded.

Joe Morgan and Bob Watson homered for the Astros while Pete Rose's sixth inning single enabled the Reds' sparkplug to reach the 200-hit mark for the fifth time in eight seasons.

Atlanta pushed across a run in the bottom of the ninth on Mike Lum's bases-loaded single to edge San Diego. The Padres had tied the score in the top of the ninth on Chris Cannizzaro's sacrifice fly.

Los Angeles used Alan Foster's three-hitter to edge San Francisco and regain second place in the West Division. Foster, who retired the last 14 Giants in order, drew a bases-loaded walk to force in the only run of the game.

## Second Grand National Bonanza At Millwood

MILLWOOD LUNKERS—John Fox, national fishing champion and president of the American Anglers Association, has a job holding 42 pounds of Black Bass from Millwood Reservoir at Texarkana, Ark., recently. He will direct the Second Annual Grand National Bass Bonanza to be held on Millwood Reservoir on Oct. 10, 11. More than 200 of the nation's top anglers will be competing for more than \$12,000 in prize money and merchandise.

at Millwood. Sportswriters are forecasting that Millwood will be the Hottest Big Bass Lake in the South this fall, so it should make for a great event, John Fox, president of the American Anglers Association, said. "We are opening up the individual event this year to any fisherman. Previously it has been for Pro's only, but this year, by popular demand, we dropped the restrictions on having to be a Pro to compete, and you can look for an amateur to win this one."

Last year's highly successful event attracted 400 of the top Bass Fishermen from 21 states competing for the title of 1969 National Bass Champion. As the smoke cleared in the final day, Joe Kennedy, a barber from Norman, Okla., was declared the Champion. Kennedy also teamed with Jeff Green from Tallahassee, Okla., in the two-man team to walk off with this title, \$4,000 richer after last year's tournament held on Toledo Bend Reservoir and almost \$10,000 in endorsement.

Kennedy said of this year's coming tournament, "It will be the man who gets in the biggest bass and stays in'em for two days who will win, naturally, but Millwood Reservoir has so many Big Bass that a weekend fisherman could walk off with the title and money. This lake is fantastic; everybody catches Big Bass at Millwood."

American Angler rules will not allow the National Bonanza Champion to defend, so Kennedy will not be back to defend his title and to take a shot at the 1970 title and more than \$14,890 in Guaranteed Prize, including a 1971 Model Gator Bass Boat-15' 3", and a 1971 Yarrowborough No. 1000 Trailer for the Biggest Bass caught during the two-day affair.

The individual winner will collect a \$1,500 U. S. Savings Bond and a trip for two to Los Vegas' fabulous Dunes Hotel for three days with a fishing trip with internationally-known Abe Schiller of the Dunes.

There will be 20 places paid in the "Individual event" and 20 places paid in the "2 Man team."

The tournament is being sponsored by the American Anglers Association and boosters in the Texarkana, Ashdown, Nashville, DeQueen and Hope, Arkansas area around Millwood Reservoir.

"Lots of four, five and six-pound Bass are being caught

included five walks, two of them with the bases loaded.

Joe Morgan and Bob Watson homered for the Astros while Pete Rose's sixth inning single enabled the Reds' sparkplug to reach the 200-hit mark for the fifth time in eight seasons.

Atlanta pushed across a run in the bottom of the ninth on Mike Lum's bases-loaded single to edge San Diego. The Padres had tied the score in the top of the ninth on Chris Cannizzaro's sacrifice fly.

Los Angeles used Alan Foster's three-hitter to edge San Francisco and regain second place in the West Division. Foster, who retired the last 14 Giants in order, drew a bases-loaded walk to force in the only run of the game.

## Twins Wrap Up 2nd Title in a Row

Associated Press Sports Tony Oliva quickly ended any no-hit thoughts by Oakland and Jim Holt put the finishing touch to the A's as the Minnesota Twins wrapped up their second successive American League West title.

The Twins, denied clinching the West race Monday night when rookie left-hander Vida Blue of the A's tossed a no-hitter, didn't waste any time Tuesday night.

After a leadoff walk, Oliva drilled his 23rd home run for a 2-0 Minnesota edge in the first inning and Holt drove in two more in the sixth inning with a bases-loaded single as the Twins swept to a 5-3 victory over runner-up Oakland. The Twins hold an 8½-game edge with only eight games to play.

Minnesota will open the best-of-5 playoff series at home against East champion Baltimore on Oct. 3.

In other AL action, the Orioles took their 100th victory of the campaign, trouncing Detroit 10-2. New York edged Washington 2-1, Milwaukee trimmed California 4-2, Boston slugged Cleveland 8-2 and Kansas City swept a pair from Chicago 2-1, 6-2.

In the National League, New York edged Philadelphia 7-6, Montreal and Pittsburgh split a doubleheader, the Expos taking the first 1-0 before dropping the nightcap 3-1. Atlanta shaded San Diego 3-2, Cincinnati topped Houston 6-5, Los Angeles blanked San Francisco 1-0 and Chicago at St. Louis was postponed by rain.

Oliva, who also singled and doubled, helped build another run in the seventh, stroking a two-out double, stealing third and coming in on Rich Reese's hit. Winner Jim Kaat, 13-10, went five innings, allowing one run and six hits. Chuck Dobson, 16-14, took the loss.

Andy Elchebarren drove in six runs with a single, double and homer in the Orioles romp. It was the Tigers' sixth straight loss.

Jerry Kenney capped a two-run New York fifth inning with a run-scoring single, giving the Yanks their fifth triumph in a row. It was Washington's fifth consecutive loss.

Tommy Harper's 30th homer, a two-run shot in the seventh, carried the Brewers to their victory over the Angels. Harper became the fifth major league player to hit at least 30 homers and steal more than 30 bases in a season.

Tony Conigliaro and Rico Petrocelli ripped two-run homers for the sizzling Red Sox, who captured their seventh straight in knocking out 20-game winner Sam McDowell of the Indians. It was No. 33 for Conigliaro and 29 for Petrocelli.

Al Fitzmorris, 8-5, scattered eight hits and capped a three-run Royals' fifth with a run-scoring single in the nightcap of their sweep over Chicago. Lou Piniella cracked a sixth inning RBI single in the opening game triumph. Ed Kirkpatrick added a homer for the winners. Rich McKinney had a two-run shot in the nightcap for the Sox.

HOPE, ARKANSAS

# Syracuse to Let 8 Black Players Return

## These Are The 'Fighting Redmen'

By WILLIAM MORRISSEY  
SYRACUSE, N.Y. (AP) — The members of the Syracuse University football team have voted to accept eight suspended black athletes back on the squad, apparently amid suggestions their failure to do so would force cancellation of Saturday's home opener against Kansas.

There was no immediate comment from the black athletes, and it was not immediately known how many of the eight remained eligible physically and academically to play.

Among the eight were last year's two leading ground gainers, Al Newton and Greg Allen. Three weeks ago Chancellor John E. Corbally, Jr., indicated the black players' failure to accept university terms for reinstatement in time for the opening of fall practice meant the suspensions would remain in effect for the season.

The official reinstatement announcement from the University came late Tuesday. It followed by about six hours a meeting with the state's Commissioner of Human Rights, Robert J. Mangum, and a later meeting of the team.

The announcement said head football coach Ben Schwartzwalder "recommended" the reinstatement to the chancellor.

Schwartzwalder told the Associated Press, however, that Tuesday night's team meeting had been recommended by university officials.

He said the unnamed officials predicted that if the team voted to accept the eight back on the squad "we might have a chance to play the game."

A statement by the 68 team members was carefully worded, Schwartzwalder said.

He quoted the team as saying: "We'll take the suspended players back in order to play the game."

He indicated the university officials were present at the meeting and that they predicted if a statement first developed was not toned down to the released form an injunction might be sought to prevent a potential for violence on Saturday.

The statement issued "has a real meaning for the kids. They wouldn't budge beyond this," said the coach.

The blacks' suspension followed a boycott of spring practice by the eight players. They said the action was taken to protest what they called the racist attitudes of Schwartzwalder and his coaching staff.

Corbally denied the formal charges filed with the local human rights commission, but offered to reinstate the players in August if they made a commitment to the coaching staff and the team and accepted responsibility for their suspension.

The black athletes refused, brought in former National Football League star and Syracuse University great Jimmy Brown to bolster their claims and last week submitted to Corbally their own formula for settling the controversy.

In apparent acceptance of the Negro players' suggestions, Corbally announced a trustee-faculty-student investigation committee would be convened. "The committee will look into all of the black athletes' allegations, take testimony from athletes and coaches and examine any other witnesses and evidence it seems relevant," Corbally said.

## U.S. Golfers Favored in World Play

By HARVEY HUDSON  
MADRID (AP) — With three victories and one second place in the six previous tournaments, the strong U.S. team tees off as favorite today in golf's Eisenhower Cup World Amateur Team Championship.

"They're playing well. They want to win but they're not cocky," Clarence Benedict, of White Plains N.Y., the nonplaying captain of the American team said.

"We haven't been keeping scores. We've just been practicing," Lanny Wadkins of Richmond, Va., the 1970 U.S. Amateur champion said.

But the competitors from the 37 nations entered all know that the Americans have been beating par 73 consistently on the hilly 7,043-yard Puerta de Hier-

## Texas, Tech Top SWC Game of Week

By DENNE H. FREEMAN  
Associated Press Sports Writer  
DALLAS, Tex. (AP) — Saturday night at 7:30 in Lubbock Texas Tech coach Jim Carlen will face something he's never confronted before — the ground-gobbling Wishbone-T.

"I've never coached a team that has played against a three-back offense," Carlen said of defending national champion Texas which has won 21 consecutive games using the unique offense.

"It's a new experience," Carlen said, "And I feel that (Texas quarterback) Eddie Phillips is a better runner in the offense than James Street."

Of course, Street was the big play man who guided the Longhorns to many a dramatic victory last year in an 11-0 season.

"He's (Phillips) made a believer out of me," Carlen said. "He's as good at running the option as any quarterback I've ever seen."

Carlen wouldn't classify the Texas game as the biggest of his coaching career.

"It's as big as one as I've ever coached in," Carlen said. "But we had a pretty big game against Penn State last year at West Virginia."

Carlen was interviewed by telephone Tuesday by a gathering of writers at the Dallas Press Club.

He said, "It appears Texas has no weakness offensively. I hope we just guess right on defense."

Carlen said Texas also was very strong on defense.

"With the front eight they have I don't think many people have gotten to their secondary," he said.

Carlen said he doubted the Red Raiders would change their offensive philosophy going into the game.

"We've been running the ball the best," he said. "But we've been making too many mistakes. You can't do that against Texas."

## Little Brown Jug Race Is Thursday

By GEORGE STRODE  
Associated Press Sports Writer  
DELAWARE, Ohio (AP) — Roland Beaulieu dislikes the way Roland Beaulieu draws post positions for Columbia George, one of the favorites in the \$100,000 Little Brown Jug Thursday.

"I don't like the back tier but I don't have anybody to blame but myself," the driver-trainer of Columbia George said after drawing the last post position in a field of 11.

Stan Dancer, who drives Most Happy Fella, bypassed the draw, yet his favored colt landed in the No. 8 post position.

Most Happy Fella rates an early 5-2 choice with Columbia George 3-1 in the second leg of pacing's Triple Crown over the half-mile Delaware County Fairgrounds track.

Club on Madrid's outskirts.

The Americans are defending the title they won at Melbourne, Australia, in 1968, but only Marvin Giles 27, of Richmond, Va., is a repeater from that team.

Wadkins, Tom Kite of Austin, Tex., the runnerup in the Amateur, and Allen Miller, of Pensacola, Fla., are all university students.

Each nation is entitled to enter four players, with the three best scores counting each day for the team total.

Each player will play 18 holes for four days with the championship decided on Saturday.

South Africa, Australia, Britain and Sweden are tabbed as the most dangerous opponents for the Americans.

NEW YORK (AP) — A repeal of the NCAA's 1.6 rule on athletic eligibility is being called for by the Eastern Collegiate Athletic Conference.

The action took place Tuesday at the ECAC's annual convention. Some schools feel they should be able to determine the grade for eligibility rather than use the 1.6 standard as the minimum needed for an athlete to be eligible at schools based on a top grade of 4.0.

ATLANTA (AP) — Luman Harris has been rehired as manager of the Atlanta Braves for 1971, club officials have announced.

A spokesman said Harris, who will be in his fourth season with the Braves, would receive a sizable raise.

Braves officials earlier declined to confirm reports that Eddie Mathews, team captain for nearly 20 years, will rejoin the team next year as a coach.

NEW YORK (AP) — Pele of Santos of Brazil and Clyde Best of West Ham United of England each scored twice in the first half and were stopped in the second half as the two teams battled to a 2-2 deadlock before a crowd of 22,143 Tuesday night at Randall's Island.

## Porks Ronnie Jones Moves to First Team

FAYETTEVILLE, Ark. (AP) — Arkansas linebacker Ronnie Jones, a junior from North Little Rock, was moved to the first team right linebacker position Tuesday as Razorback coaches shuffled linebackers.

Jones replaced Mike Boschelli, who took the place of injured Guy Parker at the middle linebacker spot.

Parker suffered a foot injury in Saturday's game with Oklahoma State.

Left linebacker Steve Vestal remained at his position.

The Porkers worked out in the rain for about an hour Tuesday.

"The rain slowed us down and cooled things off," said Coach Frank Broyles. "Now we need a good clear day to brush up our passing."

## Trevino and Knudson Are Favorites

COLUMBUS, Ga. (AP) — Lee Trevino, the colorful former U.S. Open champion, and George Knudson, winner of last week's Robinson Open Golf Classic, share the favorite's role in the \$60,000 Green Island Open Invitational golf tournament which starts here Thursday.

A field of 144 — minus golf's glamour players — will vie for the \$12,000 first prize over the 6,711-yard, par 35-35-70 Green Island County Club course near Ft. Benning, an Army infantry post.

Bypassing the event, placed on the PGA calendar several months after this year's tour began, are such big name golfers as Arnold Palmer, Jack Nicklaus, Gary Player, Billy Casper and Bruce Devlin, winner of last week's Alcan "Golf-er of the Year" Championship in Ireland.

Trevino, the Happy Hombre, placed third in the Alcan event. Knudson, a Canadian who said his Robinson triumph broke "a seven-month famine of bad golf," had to go four extra holes to beat George Archer for the \$20,000 first prize.

Tommy Aaron, who erased his bridesmaid image by winning the Atlanta Classic earlier this year, hopes a return to his native state produces a second triumph for him.

Larry Ziegler, Charles Sifford and Mason Rudolph, all in the top 10 at Robinson last week, are entered, along with colorful Homero Blancas, Gibby Gilbert, Tommy Jacobs and Bert Green.

## Barred Player Sues AAA for Grid Ruling

LITTLE ROCK (AP) — Larry

G. Myers, a senior at Hot Springs High School, filed suit Tuesday in U.S. District Court here to enjoin the Arkansas Activities Association from applying a ruling that prohibits him from playing football this season.

The association's executive committee ruled earlier this month that Myers, 18, was not eligible to play football this year because he "was dropped from school during the spring semester" and "will not have

Football coaches at the University of Massachusetts in Amherst, Mass., have been making uncompromising remarks about the length of their players' hair. So nine of them did something about it—they either got "skinhead haircuts," or "Mohican cuts," as they used to be called. Since they will be wearing helmets, it's doubtful that any of their football opponents will be terrified at the sight of them, but six coeds . . .

## Young Amateur Advances With Pro Players

LOS ANGELES (AP)—Jim Connors, an 18-year-old amateur from Santa Monica, Calif., advanced with the leading pro

today's second round of the Pacific Southwest Open tennis championships.

Connors, who stunned fourth-seeded Roy Emerson of Australia, on Monday in three sets, came back Tuesday night to defeat South African pro Ray Moore, 6-1, 6-7 and 6-4.

Rod Laver of Australia, seeded No. 1, defeated Los Angeles'

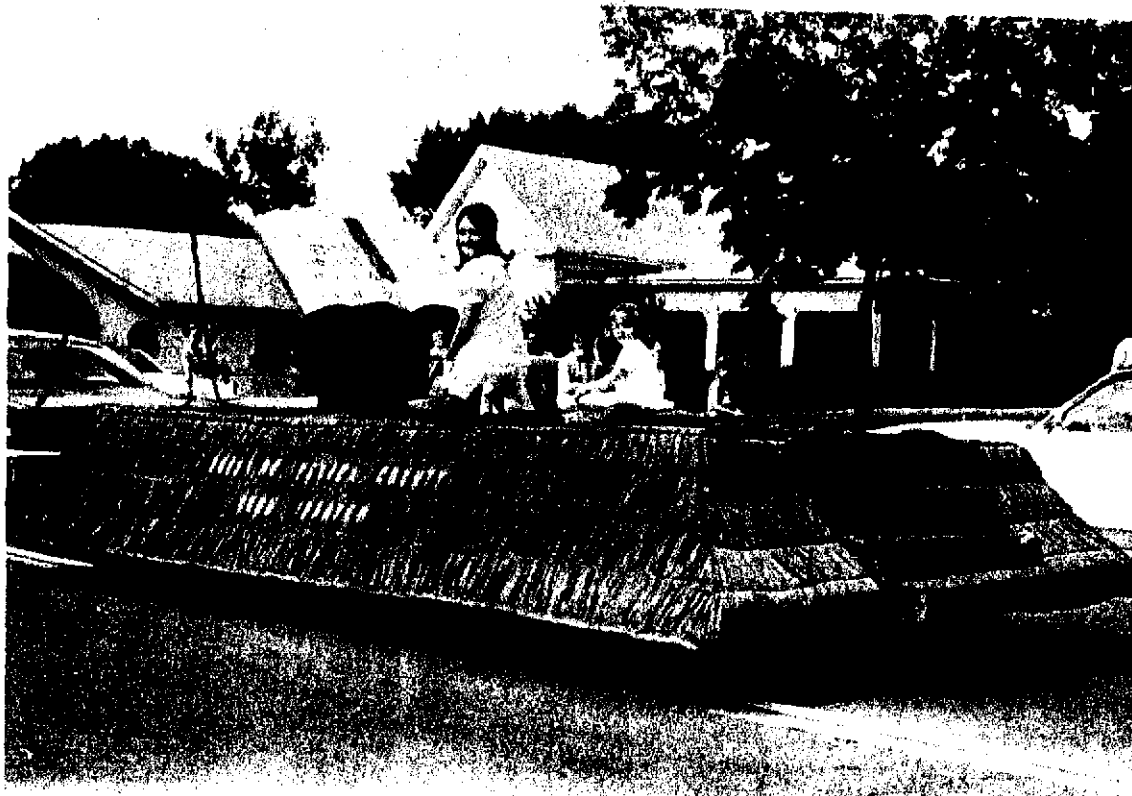

Alien Fox, 6-1, 6-3, and second-ranked John Newcombe, also of Australia, advanced with a 6-4, 6-4 victory over Ron Holmberg of New York.

Sixth-seeded Cliff Richey of San Angelo, Tex., defeated Australia's Perry Addison, 6-3, 6-3, and 14th-ranked Clark Graebner of New York eliminated Joaquin Loyo-Mayo, Mexico, 6-1, 6-3.

HOPE (ARK.) STAR, Printed by Offset

The Prescott Council of Garden Clubs took second place in the civic division.

The Jaycees entry was third in the civic float division.

## Aggies' Lord Top Player Defensively

By DENNE H. FREEMAN  
Associated Press Sports Writer

Oh, Mike Lord could have gone to Louisiana State on a scholarship but that would have meant the Baton Rouge youngster, rather small by Tiger standards, would have had to sit out a year as a redshirt.

Instead, Lord went to Texas A&M and made LSU wish it had tried harder for the toy destroyer.

Lord made 23 tackles, intercepted a pass and recovered a fumble last Saturday night in Texas A&M's 20-18 victory over LSU to earn junior Lord The Associated Press' defensive-player-of-the-week laurels in the SWC.

Eddie Phillips, the Texas quarterback who ran California cross-legged in a 56-15 victory, just edged out Lord's teammate, Aggie quarterback Lex James, in the balloting for offensive player of the week. James threw a 79-yard touchdown strike to Hugh McElroy with 13 seconds remaining in the pulsating victory over LSU.

Middle linebacker Lord, who stands 6-feet and weighs 201-pounds, wasn't courted heavily by LSU although he played at Broadmoor High School in Baton Rouge. His parents now live in Fort Worth.

"LSU has the stigmatism of being a big ball club," Lord said. "I'm not very big. I was almost assured of a red shirt season with them. I didn't want that. In a great sense, I felt I would not get to play very much for them."

Lord said the last-second victory was "The greatest feeling I've ever had coming off a football field. I knew quite a few of the boys we were playing against. That made it especially nice. I think we may have surprised them. We took the fight to them."

Of Lord's tackles, 12 were unassisted. His recovered fumble on the LSU 11 set up the tying touchdown.

And his interception on the A&M 27 shutdown what appeared to be a LSU touchdown drive in the opening period.

Phillips, in his first game for the departed legend, Mr. James Street, ran for 129 yards in 9 carries and scored two touchdowns. He also made good on 9 of 10 third down situations.

For his first game as a starter, Phillips said "I wasn't really

that nervous...really...but my parents were. They couldn't even sit together (for making each other nervous)."

O. Z. White, a big California defensive lineman, said "Phillips gets my respect. The big thing was the mental thing. He had the mental thing, man, and that's what counts."

O. Z. has a point, particularly on one 11-yard touchdown play where Phillips appeared to have eyes in the back of his head. He turned up field and as he was being smashed by two Cal tacklers he casually flipped back to fullback Steve Worster who rumbled across.

The play was totally unheard of and didn't even raise Texas coach Darrell Royal's eyebrows.

"He seemed to have control," Royal said.

Said Phillips: "I tried it one time in practice, but fumbled. I guess I just had more confidence (in the game)."

Worster said of Phillips "He runs crooked and that's something I can't do. He's just great."

And Phillips, who understudied Street to the national championship last year, said his friends in hometown Mesquite, Tex., "were wondering if I ever was going to play."

Other vote getters on offense included McElroy and Matthew Williams of Baylor who scored on a 30-yard touchdown gallop in the Bears' 10-7 upset of Army. The other defensive vote getter was defensive back Bruce Bushong of Texas Tech.

## Twins Turn Thoughts to Orioles

OAKLAND (AP) — Shortstop Leo Cardenas flipped the ball to second baseman Danny Thompson to give the Minnesota Twins the American League West baseball title and they immediately started thinking about the playoff with the Baltimore Orioles.

Exactly a year from the day the Twins clinched the division title last year, they did it again with the victory over Oakland.

Manager Bill Rigney, who won his first championship in his 17 seasons as a big league manager, admitted the A's were the team the Twins had to beat.

"This is the first step," Rigney said. He had no pitching plans for the playoff series, but the first game starter almost certainly will be 23-game winner Jim Perry.

Rigney was doused with champagne by Coach Vern Mor-

S. T. Boyd Consistory 201 will meet September 24 at 7:30 p.m. at Washington Masonic Hall. All Princes are expected to be present. W. S. Williamson, secretary, announced.

The Woods Sisters of Malvern, Arkansas will sing at the Pentecostal Church Of God, 913 North Sherman Street Sunday night, September 27th at 7:30.

The public is invited to attend. Elder Jesse Graves, Pastor.

### OBITUARY

Ford Cheatham, a former resident of McNab, and Hope passed away in Chicago, Illinois September 19, 1970.

He is survived by his wife, Mrs. Ella Cheatham of Hope, one sister, Mrs. Beatrice Muldrew of McNab; two brothers, Frank Cheatham of Hot Springs, Arkansas and Jeff Cheatham of Dallas, Texas.

The remains are being shipped to Hope for burial. Funeral arrangements will be announced by Hicks Funeral Home, Inc.

gan and pitcher Luis Tiant. The champagne bubbled over his bald head and into his eyes, but he didn't seem to mind.

Club president Calvin Griffith called long distance with congratulations to the manager he hired to replace controversial Billy Martin who led the Twins to the division title in 1969.

## Washington Back Player of the Week

By HERSCHEL NISSESON

Associated Press Sports Writer  
It's obvious why his University of Washington teammates call Sonny Sixkiller "Slayer of the Half-Dozen." And right now his score is one down and five to go.

The full-blooded Cherokee Indian quarterback made his varsity debut one to remember Saturday as the Huskies trounced Michigan State 42-16. He completed 16 of 35 passes for 276 yards and three touchdowns and his 313 yards of total offense was the second best in the school's history.

It was a scintillating performance and it earned Sixkiller College Back of the Week honors from The Associated Press.

"I'm really surprised I'm getting all this attention," said Sixkiller. "I guess those statistics were worth some notice, but I didn't think it would mean this much."

The 6-foot (what else), 171-pound sophomore, who wears uniform No. 6 (what else), thinks of himself as a quarterback rather than an Indian and is getting a little tired of the In-

Wednesday, September 23, 1970  
dian references. He knows his great-grandfather was a Cherokee chief but doesn't know much more about his ancestry — his father works in an Ashland, Ore., lumber mill—and doesn't know the derivation of his name.

Sixkiller was born in Tahlequah, Okla., but his family moved to Ashland when he was very young. He stepped into the varsity-alumni spring game when Gene Willis and Greg Collins were hurt and won the No. 1 job by completing 24 of 50 passes for 389 yards.

Ironically, Willis recommended Sixkiller to the Washington coaches — they went to the same high school—after Oregon and Oregon State turned him down as being too small. Accustomed to a traditional ground attack, Washington fans must have been shocked when Sixkiller passed for 12 yards on the first offensive play against Michigan State. "I told him to pass on the first play," said Coach Jim Owens, "and when they intercepted him for a touchdown a little later I told him to keep throwing."

Sixkiller, for one, isn't surprised that Washington won its opener after a 1-9 record a year ago. "A 1-9 record is bound to make anyone get up, it's bound to put life in you," he said.

rettes continue to cause death, that can't be ignored." "It could be through public service announcements," he added, "or he might do it by network coverage, documentaries, one-minute spots—he would have discretion."

A law passed last spring bans all cigarette commercials from television and radio effective Jan. 2.

Geller said the FCC has not yet established official policy beyond that point and has not been asked to do so.

In the absence of official policy, he said, the broadcaster can only "make a good faith, honest judgment and hope he's correct on it. If he wants guidance we'll be glad to supply it."

Geller said broadcasters need not worry about losing their licenses by guessing wrong on their next move.

"It doesn't put his license in jeopardy if it's a good faith judgment," he said. "The only time we've taken action against a license is where a violation is absolute and flagrant."

Geller suggested a way. Smoking may be so widely seen as a health hazard, he said, that the subject is no longer "controversial" and therefore no longer subject to the FCC "fairness doctrine."

Geller said the broadcaster may be required to continue presenting the antismoking side "under the general public interest standard."

"He has a duty to inform the public," said Geller. "If cigarette commercials are so widely seen as a health hazard, he said, that the subject is no longer 'controversial' and therefore no longer subject to the FCC 'fairness doctrine.'"

**THE DOCTOR SAYS**  
Breast Examination Is Important Procedure  
By WAYNE G. BRANDSTADT, M.D.

In recent years women have been urged to examine their breasts periodically for evidence of cancer, since breast cancer is a leading cause of death in women who are over 35. As a result, 85 per cent of the new cases of breast cancer reported last year were discovered by the victim herself.

It is discouraging, however, that 65 per cent of these self-diagnosed cancers had already spread to other organs, giving the victims a less than 50 per cent chance of surviving more than five years. It must be concluded, therefore, that all women over 35 should have a careful physical examination of their breasts by a physician twice a year—often if there is any reason to suspect that a cancer may be developing. This checkup should include an X ray (mammography) of the breasts.

Q—My son had a diabetes test which showed that he had hypoglycemia. What kind of diet should he follow?

A—The diet favored for an abnormally low blood sugar is high in protein, moderate in fat and low in carbohydrates.

Q—What is the normal blood sugar for a child and for an adult? What causes a low blood sugar? What is the best treatment?

A—In normal newborn infants, the fasting level may be as low as 20 milligrams per 100 milliliters. After the first few days, the normal range is 50 to 100 and for an adult, 80 to 100. But lower levels are not significant unless accompanied by such symptoms as sweating, trembling and weakness. The causes of low blood sugar include pancreatic tumor, various chemical poisonings and a rebound reaction to insulin in persons with mild diabetes. In children, hypoglycemia may be hereditary. The treatment would depend on the cause.

Q—Why would one doctor tell me to take four Atromid-S capsules and another tell me to take two a day to lower my blood cholesterol level? Does this drug cause the hair to fall out?

A—The usual dosage of this drug is four capsules a day but, if your cholesterol level has returned to normal, a smaller dosage might be given to maintain the lowered level. Loss of hair has been reported in several persons who were taking this drug but a causative relationship has not yet been proved.

**Q—What is the normal blood sugar for a child and for an adult? What causes low blood sugar? What is the best treatment?**

**A—In normal newborn infants,** the fasting level may be as low as 20 milligram per 100 milliliters. After the first few days, the normal range is 50 to 100 and for an adult, 80 to 100. But lower levels are not significant unless accompanied by such symptoms as sweating, trembling and weakness. The causes of low blood sugar include pancreatic tumor, various chemical poisonings and a rebound reaction to insulin in persons

Alan Truscott points out that one of the most common mistakes made by inexperienced players is to overbid with a good hand and to underbid with a bad one.

This overbidding with a good hand does them no harm if their partner can come up with a little valuable material in his bad hand. If he doesn't, the overbidder goes down and complains about bad luck.

Now take a look at the bidding in the box of today's hand. North has a very sound double of the club opening bid and is delighted with his partner's spade response. He is tempted to jump to four spades but merely bids three. He knows that South has promised nothing by his spade bid.

South has very little but his king of spades and queen of hearts are two more face cards than he has promised by his spade response to the takeout double. Expert South bids four spades confidently and makes his contract with no trouble at all.

The inexperienced player would probably have jumped to four spades with the North hand and would have attained the same happy result because South would not move. However, give South a bust and three spades will still be a good contract, while four spades would be a losing one.

Incidentally, an expert might bid a trifle stronger with the North hand by rebidding two clubs as a cue bid and then going to three spades. This is very high level but quite common in some expert circles, where the more complicated bidding, the stronger the hand being shown.

(Newspaper Enterprise Assn.)

**♥ CARD SENSE ♦**

The bidding has been:

West	North	East	South
Pass	2 ♠	Pass	4 ♠
Pass	4 N.T.	Pass	5 ♠
Pass	5 N.T.	Pass	6 ♠
Pass	6 ♠	Pass	?

You, South, hold:  
♠ A K 8 7 6 ♥ K J 3 2 ♦ Q 4 3 2 ♣ 7 2

What do you do now?

A—Pass. Your partner intended to support spades all along. You have nothing extra to bid.

**TODAY'S QUESTION**  
Instead of bidding two hearts your partner has responded two diamonds. What do you do now?

Answer Tomorrow

**TRANSMISSION** problem solved. Hovering over marshy wilderness, a Sikorsky Skycrane delivers a 135-foot electrical transmission tower, weighing more than five tons, in Virginia's Dismal Swamp. Forty-eight of the aluminum towers were positioned by the heavy-lift helicopter, averaging 20 minutes each.

## WORLD ALMANAC FACTS

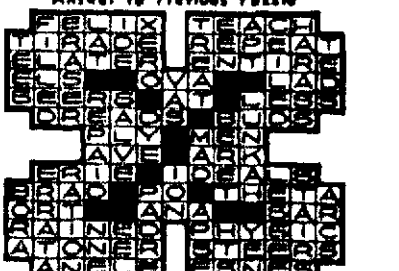

The Great Wall of China is the most massive masonry project ever undertaken by mankind. The World Almanac says the wall is more than 1,500 miles long, averages 25 feet in height and is 15 to 30 feet thick at the base. It was built to protect China from northern barbarians but failed to prevent further invasions.

## Cambodian Drive Starts

### Moving Again

PHNOM PENH, Cambodia (AP) — The biggest government operation of the Cambodian war moved forward again today after being stalled 10 days by North Vietnamese and Viet Cong forces.

A spokesman said advance elements were meeting light resistance as they moved toward the major enemy strongpoint in the village of Taing Kauk, 47 miles north of Phnom Penh. It was the first forward movement reported by the government since its troops were driven from Taing Kauk and stalled in their drive northward toward the provincial capital of Kompong Thom and the nation's heartland.

The spokesman said the government force had moved about half a mile toward the town. Reports reaching Phnom Penh said up to 2,000 North Vietnamese and Viet Cong troops were believed still in Taing Kauk.

There were no indications of why the enemy had apparently relaxed its pressure.

Fighting intensified on another Cambodian battle front. South Vietnamese headquarters in Saigon said six South Vietnamese marines and 41 North Vietnamese were killed in heavy fighting along the Bassac River, 30 miles southeast of Phnom Penh. Twenty-three South Vietnamese were reported wounded.

In Laos, the Communist Pathet Lao accused royalist government troops of launching attacks with American and South Vietnamese support. Hanoi Radio quoted a Pathet Lao broadcast saying 11 battalions of royal Lao troops had staged attacks since Aug. 31 north and south of Attapeu in southern Laos, which fell to the Communist command in April.

The broadcast said the royalist troops were accompanied by U.S. advisers and supported by South Vietnamese special forces.

The U.S. Command repeated a prepared statement saying, "There are no U.S. ground combat troops in Laos." But it is known that South Vietnamese special forces and American reconnaissance patrols operate along the Ho Chi Minh trail in the lower Laotian panhandle.

Military attaches assigned to the U.S. Embassy in Vientiane and Central Intelligence Agency agents also advise and operate with Royal Laotian troops.

The Cambodian command in Phnom Penh said that 60,000 North Vietnamese and Viet Cong troops have been killed or seriously wounded by Cambodian, American and South Vietnamese forces during the first five months of the Cambodian war. The command said about 5,000 Cambodian soldiers have been killed or wounded.

Sources in Saigon said the claim of 60,000 enemy casualties appeared exaggerated. A South Vietnamese communiqué said its forces operating in Cambodia had killed 11,446 North Vietnamese and Viet Cong troops since March. South Vietnamese losses for the period were reported as 1,084 killed and 4,350 wounded.

## Sees Bumpers Getting Many Negro Votes

LITTLE ROCK (AP) — I. S. McClinton of Little Rock, president of the Arkansas Democratic Voters Association has predicted that Dale Bumpers could get between 35 and 50 percent of the Negro vote in the November general election.

Bumpers, a Democrat, faces Republican Gov. Winthrop Rockefeller and American party candidate Walter Carruth.

"If this campaign is carefully planned and an understanding is established between all interested persons ... and the proper relation is kept between all the people, Mr. Bumpers can get 35 to 50 per cent of the black votes," McClinton said in a prepared statement.

He said that Bumpers is qualified in business and civic affairs to become a good governor for Arkansas.

## Annual Third District Livestock Show Opens Monday With a Parade

The 26th annual Third District Livestock Show and Rodeo starts Monday, September 28, at 4 p.m. with a parade through downtown Hope.

The usual route will be followed and the parade will form on East Second Street, beginning at Young Chevrolet Co. Judge Finis Odom will be the Parade Marshal.

All constitutional officers have been invited to ride in the parade as well as other state and local dignitaries.

Floats will be divided and judged in three categories: Civic, School and Youth. 1st, 2nd and 3rd prizes will be awarded. There will also be Pets and Decorated Bicycles divisions with 1st and 2nd prizes given.

The Hope and Prescott bands

will march in the parade and local automobile agencies will show their new 1971 cars. Farm equipment dealers will have vehicles in the parade and all riding clubs are invited to participate.

The Sonny Myers Amusement Shows will open on the Midway Monday night and continue all through the week. Thursday will be Kid's day with all rides reduced from 10 a.m. to 5 p.m. The Fair Queen's contest will be Tuesday night in the Coliseum and is free to the public. Quarter horse show finals will be Wednesday night in the Coliseum and is also free.

Wing Ranch of Bogata, Texas will again produce the rodeo which starts Thursday night and goes through Saturday night. Announcement of Rodeo Queen and drawing for a new automobile will be Saturday night in the rodeo arena.

## Arms Aid to Greece Is Renewed

By LEWIS GULICK Associated Press Writer

WASHINGTON (AP) — President Nixon has okayed renewal of fullscale U.S. arms aid to Greece despite some continuing criticism of Athens' military regime both here and abroad.

The reason for ending the long embargo on planes, tanks, artillery and other heavy weapons shipments to Greece, the State Department said, is that country's strategic importance on NATO's flank in the eastern Mediterranean.

"Although the United States had hoped for a more rapid return to representative government in Greece," the Department's announcement Tuesday added, "the trend toward a constitutional order is established."

The United States halted arms assistance to Greece after the April 1967 military coup there and critics of the regime — including some U.S. congressmen and Europeans, particularly in Scandinavia — have contended renewing fullscale deliveries would reward an oppressive government.

A Greek refugee spokesman here, Elias P. Demetrapoulos, condemned Nixon's decision today as in effect giving "official U.S. government approval to the Athens military dictatorship."

State Department officials countered that the Athens leadership "has stated that it intends to establish parliamentary democracy" and has taken steps to resume constitutional government by the end of this year.

## 27 Years Writing a Column Causes Boyle to Stop, Take Stock

By HAL BOYLE

NEW YORK (AP) — It is appropriate now and then in life to pause and take a look around—to see where you've been and where you still may be going. This seems a good time for me to make a personal stocktaking, as this month marks the 27th anniversary of the date I began writing a daily newspaper column.

Now, 27 years may not be long in the life of a mountain or a redwood tree—but it is long enough to make a few dents in a man.

When I first unsling my typewriter in 1943 to right all man's wrongs and make a better world, I weighed 180 pounds, wasn't afraid of anything, could walk 20 miles in a day and my eyesight was keen enough to spot a can of meat and beans in a box of "C" rations 75 yards away.

Well, what's happened? Now I weigh a waddling 200 pounds plus, and have all the named fears and a number that are nameless. If I walk more than 20 minutes, I feel like putting my arms around a telephone pole

## Hit, Killed by Automobile

JONESBORO, Ark. (AP) — Curtis B. Akers, 81, of Brookland (Craighead County) was killed Tuesday when struck by a car on Arkansas 1 about six miles north of here.

State Police said Akers was attempting to cross the highway when he was struck by a car driven by Nels R. Bradshaw, 38, of Fisher.

## S. Governors Vote Against School Busing

BILOXI, Miss. (AP) — Governors of the Deep South have succeeded in putting the Southern Governors Conference on record against busing school children for purposes of integration.

After two days of parliamentary maneuvering in which border state chief executives supported a compromise, Gov. John J. McKeithen of Louisiana won approval Tuesday of a resolution saying:

"The Southern Governors Conference opposes the busing of school children from one neighborhood to another for the avowed purpose of attempting to achieve numerical balancing of the races."

The vote was 9 to 2. Earlier the conference rejected, 7 to 5, a McKeithen proposal to call on the federal judiciary to apply desegregation rulings with equal force in North and South.

Voting for the final McKeithen version were Govs. Albert Brewer of Alabama, Robert McNair of South Carolina, Robert W. Scott of North Carolina, Buford Ellington of Tennessee, Linwood Holton of Virginia, John Bell Williams of Mississippi, Arch Moore of West Virginia, Lester Maddox of Georgia and McKeithen.

Govs. Russell W. Peterson of Delaware and Luis Ferre of Puerto Rico voted against it and Gov. Warren E. Hearnes of Missouri abstained.

Williams called it "a complete victory" for antibusing forces.

"Too little, too late," said Maddox, a busing foe.

## Sees No Need for Special Session

LITTLE ROCK (AP) — Dr. Max Milam, director of the state Administration Department, said Tuesday he did not foresee any need to call a special session of the legislature to deal with financial problems at Arkansas AM&N college.

A report of the Legislative Joint Auditing Committee last week showed the college had \$13 million in liabilities and that there was about a \$92,000 shortage in the cash fund.

Milam said the legislature has to make a decision about the college in January, "whether it wants to bail them out or not."

As far as closing the school is concerned, Milam said, "it would cost more to close the school than to keep it open."

## Says Bumpers Has Made No Commitments

LITTLE ROCK (AP) — De-loss Walker of West Memphis, campaign director for Democratic gubernatorial nominee Dale Bumpers, said Tuesday that Bumpers had made no commitments to anyone regarding appointments to state jobs.

Walker's remark came after Mark Thompson of Paragould, former head of the Highway Patrol division of the State Police, said Tuesday he was seeking support in a bid for the State Police director's post if Bumpers is elected.

Walker said neither Bumpers nor any of his staff had encouraged Thompson to seek or apply for the position.

## Very Little Progress in Rail Talks

By NEIL GILBRIDE AP Labor Writer

WASHINGTON (AP) — The Nixon administration worked today to head off a midnight nationwide railroad strike, but there were signs the government was bracing to test whether the nation could stand a rail shutdown.

Labor Department officials reported very little progress toward settling the long dispute over eliminating locomotive firemen's jobs, and the government prepared to authorize emergency bus and truck service in the event of a rail strike.

The strike has been called for 12:01 a.m. Thursday.

President Nixon already has exhausted all strike-delaying provisions of federal labor law.

"If it keeps on we may have to be faced with a nationwide railroad strike," said Assistant Secretary of Labor W. J. Usery, working on the nation's fourth national rail labor crisis this year.

Usery, in an interview, hinted that although the government must exert every effort to avoid it, a nationwide rail strike might not be as catastrophic as federal officials have said.

There have been only three nationwide rail strikes in nearly half a century, with either the White House or Congress stepping in to prevent others.

"This day and time we are now beginning to look upon it as this — years ago we did not have airlines, we did not have trucking as we have it today. And if it keeps on we may have to be faced with a nationwide railroad strike even though everything should be done to prevent that ... Usery said.

Interstate Commerce Commission Chairman George M. Stafford announced his agency will issue emergency authority to truck and bus lines to haul passengers and freight if there is a rail strike.

Sources in the trucking industry indicated it could pick up a considerable amount of the slack in shipments if there were a rail strike because generally depressed economic conditions have idled many trucks.

Nixon has intervened three times this year under the Railway Labor Act to impose 60-day strike delays. His only recourse in the current dispute would be to ask Congress for a special law.

Congress has stepped in with emergency laws in three similar cases in the past seven years.

A special arbitration board ruled in 1963 the railroads could eliminate 90 per cent of the firemen on diesel yard and freight engines, with severance pay and rights to other rail jobs for most of the men.

Some 20,000 firemen's jobs were eliminated under the two-year special law, but the United Transportation Union now demands restoration of the jobs since the law has expired.

## 15 Arrested in Shooting at Parkin

PARKIN, Ark. (AP) — State Police Capt. Dwight Galloway said Tuesday that 15 persons arrested Monday night in a shooting disturbance at Parkin would be charged with nightriding.

Galloway said the shooting incidents had racial overtones. No one was injured from the shooting, he said.

The 15 persons arrested, all white men, were not identified and Cross County officials nor the Parkin city police would comment on the incident.

Galloway said the shooting broke out near a dairy barn where 15 or 20 Negroes had gathered.

The Parkin City Council was meeting Monday night to deal with a "racist group," authorities said.

Galloway said there had been rumors the group would cause trouble.

## Syrians Retreating But Fierce Battle Raging in the City of Amman

### U.S. Hopeful Arab Unity to End War

WASHINGTON (AP) — The United States looked hopefully to a sudden burst of Arab diplomacy today to curb the civil war in Jordan and reduce chances of possible American intervention.

Nixon administration officials professed cautious encouragement at word that Soviet authorities are in touch with Syrian leaders. The United States had asked Moscow to urge restraint on the Syrians who intervened in Jordan last weekend.

Under preparatory orders laid down by President Nixon, however, the Defense Department redeployed American ships, airplanes and troops to positions for a quick move into the battered Middle Eastern country should Nixon judge such a

## Living Costs Up But Not as Much

WASHINGTON (AP) — Living costs rose two-tenths of one per cent in August for the smallest monthly rise in 20 months, the government reported today.

The report, by the Labor Department, was good news for President Nixon and his economists who have been insisting their economic policies were beginning to slow the nation's worst inflation in 20 years.

"This was the smallest month-to-month change since December 1968," said the Bureau of Labor Statistics.

It pushed the government's Consumer price index to 136.0. The figure means that it took \$13.60 last month for every \$10 worth of typical family purchases in the 1957-59 period on which the index is based.

The August increase put the index 5.7 per cent above a year earlier. Inflation had been running at about a 6 per cent annual rate most of last year and this year.

The bureau also reported that the average weekly pay check for approximately 45 million rank and file workers rose 70 cents to \$12.15 in August, and that after adjustments for price increases, purchasing power was up 3 cents for the month.

However, the purchasing power of the average pay check was still nearly one per cent below a year ago.

### AP News Digest

By THE ASSOCIATED PRESS  
BEIRUT (AP)—King Hussein and the No. 2 man in the Al Fatah guerrilla organization have announced a four-point agreement to end the six-day-old Jordanian civil war, but it appeared doubtful that the agreement would work.

WASHINGTON (AP) — Nixon administration officials are cautiously hopeful that a sudden burst of Arab diplomacy will curb fighting in Jordan and reduce the chance that American intervention will be needed.

PHNOM PENH, Cambodia (AP)—The biggest government operation of the Cambodian war has resumed its forward movement after being stalled 10 days by North Vietnamese and Viet Cong forces.

WASHINGTON (AP) — The Justice Department has warned that a Supreme Court inquiry into the legality of the Vietnam war, which has been requested by Massachusetts, would hamstring President Nixon, insult Congress and embarrass the United States internationally.

WASHINGTON (AP) — The Nixon administration is working to head off a midnight strike against the nation's railroads, but there are signs the government may test whether the nation could operate through a railroad shutdown. All strike-delaying provisions of federal labor law have been exhausted.

The Central Committee of the Palestine resistance movement, however, rejected the plan. It announced in a broadcast from Iraq that it would fight to the last man.

King Hussein was on record saying that an attempt to destroy Jordan had been foiled. A delayed dispatch from Amman quoted him to this effect, and expressing confidence "the brunt of the problem was over in Amman" although guerrillas still held strongpoints.

Hussein declared the Jordan army had given a bloody nose to forces from Syria.

Observers in Israel reported the retreat of the forces from Syria. But they were uncertain whether the forces were moving back to Syria, whence they came Sunday.

The roar of gunfire sounded through Amman during the night and throughout the morning, with most of the firing in the Jebel Weibdeh residential district.

This is a district that the Jordanian army has been trying to clear of guerrillas since Sunday.

Casualties ran into the thousands, with a high proportion of them civilians.

A broadcast from Baghdad said the guerrilla leader, Abu Ayad, had completed the agreement while a captive "and isolated from the state of affairs in Amman."

The agreement was announced over Amman radio by Hussein and Ayad, who was captured four days ago.

There was no mention of the guerrillas' No. 1 boss, Yasser Arafat, head of Al Fatah as well as the Palestine Liberation Organization, which includes 10 other guerrilla groups.

### Watershed Work Is Approved

WASHINGTON (AP) — The House Public Works Committee approved Tuesday two watershed projects in Arkansas, completing congressional authorization of the two.

Now eligible for funding are the Spade Creek Small Watershed project near Clarksville and the Upper Petit Jean project near Booneville.

The estimated cost of the Spade Creek project is \$2,000,000 and the cost of the Upper Petit Jean project is \$2,500,000.

## Casualties May Reach 20,000

By HARRY DUNPHY Associated Press Writer

BEIRUT, Lebanon (AP) — Jordanian troops supported by artillery and warplanes launched a drive in northern Jordan today and drove invaders from Sqrta out of the country, Amman radio said.

A communique from Jordan's military governor, Field Marshal Habis Majall, said the Syrian withdrawal began at noon "and by 2:15 p.m. the last Syrian soldier left Jordanian soil."

He said Jordanian forces were in complete control of Irbid, the country's second largest city 50 miles north of Amman, and Ramtha, 10 miles east of Irbid.

If true, this would lessen the possibility of U.S. intervention. It was the invasion from Syria on Sunday that touched off talk that the Americans might intervene.

King Hussein of Jordan said in Amman Tuesday "I do not expect military intervention at this time" and that his force had command of the situation.

As fierce fighting went into its seventh day in Amman, the Jordanian capital, Hussein and the captured No. 2 man of guerrilla movement announced a four-point agreement to end the conflict.

The Central Committee of the Palestine resistance movement, however, rejected the plan. It announced in a broadcast from Iraq that it would fight to the last man.

King Hussein was on record saying that an attempt to destroy Jordan had been foiled. A delayed dispatch from Amman quoted him to this effect, and expressing confidence "the brunt of the problem was over in Amman" although guerrillas still held strongpoints.
